

**Friday August 13th,  
Please Join the Sussex  
County Horse Show as  
we fondly honor the  
memory of  
John Franzreb III, our  
iconic and beloved  
ringmaster**

**The Sussex County Horse Show will be holding a special event in memory of John Franzreb III the evening of Friday August 13th, at the Sussex County Farm and Horse Show.**

**Ceremony will take place before the Rost Memorial Jumper Stakes Class (not before 6pm) and will be held in the Main Horse Show Ring**

**John was special to so many equestrians everywhere; and especially to those who have shown at the Sussex County Farm and Horse Show/Fair. To spectators, patrons, sponsors & exhibitors, John was a familiar and recognizable "celebrity" of the Horse Show; with so many having that classic photo in the winner's circle, John at their horses' side, holding the Ribbon, Ferris wheel in the background.**

**SCHS is putting together a special tribute that will use photos and videos featuring John**

**Along with a special video tribute, we will be having a candlelight vigil, and will be asking those who wish to come stand with us and share in this moment to join is in the Main Horse Show Arena**
