Add any of the Following...

ADD CHINA & SS FLATWARE

ADD COMPOSTABLES

We use only 100% recyclable & compostable disposable products

Wood disposable tableware is a stylish, Earth-friendly answer to plastic & paper plates. Ideal for indoor & outdoor use, wood offers a sturdier, more beautiful presentation than typical paper or plastic. Plus, it's an environmentally friendly alternative since it's a renewable resource and 100% biodegradable.

Certified Organic FDA approved food-safe No bleaches or dyes Biodegrades in 4-6 months
