The Sussex County Horse Show demonstrates the excellence and commitment of the community to these wonderful animals and this traditional event. The Sussex County Horse Show has a series of horse shows held between April and October that help raise funds to do maintenance to the facility and offer new scholarships to area students. These shows are growing and the Association is constantly looking for new sponsors to help make the shows in the future the best ever.

The Sussex County Farm & Horse Show Association, Inc. is a not for profit corporation recognized by the IRS as a 501 (c)(3) organization. Contributions are tax deductible in accordance with IRS regulations for Charitable Donations.

The English Benefit Series is a series of 6 English Horse Shows from May through October. The series is open to riders from any location, but is very popular with riders right

here in Sussex County. It gives them the opportunity to show close to home in professional level rings with high quality jumps close to home in a friendly atmosphere. They also get access to top judges, staff, and excellent management. Due to the growth and popularity of this series we added Open Schooling Day a few years ago. This year we will continue to have our two Derby Days. Lastly don't forget about Local & Friends Day at the fair, which is a non-rated
