

The Executive Committee has voted to adopt this bylaw change for the Association

Consistent with IRS regulations for all non-profit organizations, the Sussex County Fairgrounds Association shall have only non-partisan displays/exhibits. Applicable to all vendors/exhibitors/sponsors at the Fairgrounds, with the exception of a political organization's or candidate's paid concession space, the display of banners, signs, posters and similar visual materials that promote any political candidate's campaign is prohibited. Partisan political displays are only permitted within the confines of the respective political organization's paid concession space. Personally, worn apparel that is political in nature that is worn by anyone shall not be considered to be a violation of this policy. Similarly, a vendor who is selling items that are of political nature is also permitted in accordance with their concessions contract. A first-time violation of this Fair policy by anyone will be resolved by immediate removal of all visual material. Any further non-compliance will cause said exhibitor/display/concession to be removed from the Fairgrounds.
